Ministry Focus theme is | "Feel/Siente . . ."

This has given us the opportunity to spend

two years focusing upon the many ways we experience God through Jesus Christ—how we feel God at work in us and through us. The theme invited us to feel compassion for others—to be emotionally affected by what is happening to our sisters and brothers next door and around the world. Finally, the theme has given shape to our faith journey for the last two years, as we continue to "Feel" our way towards God.

Missionary
