Bringing Our Love and Prayers to Deborah's House

Determine the number of miles from Effingham, IL to Deborah's House.

Set Goal for Walking.

From To Air distance Driving distance

Distance in km Distance in miles Distance in nautical miles

You can drag and drop the map marker to the location where you want to calculate the distance between.

- The red line on the map indicates the **Great Circle Distance**.
- The black line is the Rhumb line between the two points.
- The blue line indicates the driving distance route.

Distance calculator helps you to find *how many miles* from a city to another city on map.

Goal
Bringing our Love and Prayers to Deborah's House.

1. Set number of steps needed to deliver our Special Project.
2. Each step=10 miles (We take 192 steps.)
OR
3. Each step=20 miles (We take 96 steps.)

For our workshop:

We set each step=10 miles so we needed to complete 192 steps.
