The concept of American Baptist Women assisting students who were pursuing education toward a Christian Ministry began in 1934. The fund at that time was to help students who were studying at the Baptist Missionary Training School in Chicago. That school for women closed in 1961.

The American Baptist Women of Great Rivers Region continued the scholarship for men or women who want to pursue their education.

Paula Costanza – Associate for Student Aid

These are our scholarship recipients for the 2018-2019 school year.

Please remember them in your prayers and perhaps send them a note of encouragement on their birthday, a Christmas card, or any other time they come to your mind. It is a blessing and an encouragement to know that the GRR/ABWM ladies are remembering and praying for them.
