American Baptist International Ministries is celebrating 200 years of ministry in 2014. Organized in 1814 as the first Baptist international mission agency in America, IM began its pioneer mission work in Burma and today works in Asia, Africa, Europe, the Middle East and the Americas serving more than 1,800 long-term and short-term missionaries. Its central mission is to help people *come* to faith in Jesus, *grow* in their relationships with God and *change* their worlds through the power of the Holy Spirit. IM works with respected partners in over 70 countries in ministries that meet human need.
